

# Tan Floor Polish Stripper

## Rinse-free floor polish stripper.

Using the latest technology, Tan has the ability to 'unlock' metallised polish with the advantage of being rinse-free.

**Low foaming formulation.**

**Economical in use.**

- Tan is a modern alternative to traditional caustic based polish strippers such as Amber.
- Whilst it is good practice to rinse the floor with a mild acidic water solution before re-polishing, this is not necessary with Tan.

**5 L**

**Order Code:**  
C103

### Product Information:

**Appearance:** Clear thin blue liquid.

**Odour:** Slight solvent.

**pH - undiluted:** >13.5

**Shelf life:** 2 years

### Mop Stripping:

Dilute 1:5 with water. Mop the floor liberally. Leave for 5-10 minutes. Using a mop, agitate with a fresh solution and leave for another 5 minutes. Remove slurry with a mop or wet pickup.

### Scrubbing Machine:

Dilute 1:10 with water. Mop the floor liberally. Leave for 5-10 minutes and then scrub with a slow machine fitted with a black pad. Remove slurry with a mop or wet pickup.

### Spray Stripping:

Dilute 1:20 with water. Spray lightly ahead of machine fitted with a suitable pad at medium speed.

**Not for use on linoleum, wood or cork floors.**

This product is manufactured in the U.K. under an ISO 9001 Quality Management System Cert. No. FM 09535 and an ISO 14001 Environmental Management System Cert. No. EMS 506072 registered by the British Standards Institution.
