

Aqua

Heavy Duty Industrial Maintenance Cleaner

Powerful cleaner which removes the heaviest of industrial soil.

Low foaming formula ideal for use in a scrubber dryer.

Economical in use.

- Aqua is the ideal cleaner concentrate for transport, garages, service stations, engineering and other industrial settings.
- Highly concentrated formula.
- Suitable for use on floors, for wall washing and for pressure washing.

General Cleaning:

Dilute 1:100 parts water for light duty cleaning such as damp mopping. Rinse off with clean water after cleaning to remove any residue.

Mop, spray, scrub or pressure wash as necessary.

Heavy Duty Grease, Fat & Wax Removal:

Use Aqua at 1:10 parts hot water.

Pressure Washing:

Use Aqua at 1:50 parts hot or cold water for pressure washing.

5 L

Order Code:
C116
